

Christmas Blessings!

Dear Friends,

As I write this letter to you, I glance up at my bookshelf and notice my statue of Saint Joseph. He's sitting there in his usual spot, silent and steady, providing for and protecting us like he did his own family so many years ago.

This time of year, the focus is understandably more on Jesus and Mary than on the third member of the Holy Family. But this past year, unlike any other, has forced us to slow down in many ways, offering the opportunity to see things from different perspectives.

The other Little Sisters and I have spent a lot of time with St. Joseph over the past nine months, asking for support through these chaotic times of the pandemic, and have gained so much more than just monetary help from his intercession. We have connected with the quieter, behind-the-scenes faith and strength of this man who helped care for and raise our Savior. What a job that would be! Talk about pressure! But Joseph supported Mary and her son, asking nothing in return, and through his faith and trust, helped bring the wonderful gift that is Jesus to the world.

We would like to thank all of you who, like St. Joseph, have helped provide for us this year when our need has been so great. We wish you a Christmas season filled with the spiritual richness and gifts of the Holy Family - the sweetness of the baby Jesus, the tenderness of the Virgin Mary, and the steadfast support of St. Joseph. Please also accept the gift of our prayers for you and those you hold dear.

Sincerely in Christ,

Mother Margaret and all the Little Sisters
