Dear friends,

I have another update for you, so soon after the last one. Unfortunately, one of our Residents has tested positive for Covid. These are the steps that we have taken:

- ☒ Staff and residents are being tested within 24 hours. They are testing as I compose this note.
- ☒ Anyone who is positive or have symptoms among the residents will be quarantined.
- ☒ There are no visitors allowed until this testing is completed. We will say no visitors the rest of today or tomorrow. We will get back with you once we know if we have any further positive cases.
- ☒ All staff have begun to wear the N or KN 95 masks for extra protection.

We hope that this will resolve quickly. We will promptly contact the loved ones of any Residents that are positive. We leave all our concerns in the loving hands of the Lord, trusting Him to guide us. We count on your prayer.
