Dear friends,

Monday will be the feast of our Mother Foundress, St. Jeanne Jugan. St. Jeanne Jugan saw God in events. No matter what happens “she never complained and always encouraged us,” the novices reported. “She was happy at all times, even when she was no longer the Superior, because she knew it was God’s Will.” Towards the end of her life, when she had become almost blind, she gave this splendid summary of her long life of faith: “When you are old, you will not be able to see anymore. Now all I can see is God.”

We too try to live this deep faith that she had. We are still in the midst of the pandemic as you know, and the positivity rate is high in Jackson County. We were not surprised when one of our staff members tested positive. Thankfully the person was only in the facility for two hours and had very limited exposure to any other staff or resident. All the Residents tested negative this past Monday. And so far all of the staff are negative. We thank the Lord for this!

We pray your summer is going well, and you are not too bothered by the heat! God bless you, we count on your prayers. Stay well and keep safe.

God bless you,

*Mother Margaret Patricia and all the Little Sisters*
