

Dear Friends,

Here is our latest update. We have tested all staff and residents within the last 24 hours. We thank the Lord that all tested negative.

We are still under outbreak conditions. Visitation restrictions are in place for 14 days on the second floor where we had the original positive case. Ongoing testing will continue for staff and residents during the next fourteen days.

We will continue to keep you informed. We are blessed that so far everyone is well. We continue our prayers for you and you know that we count on yours. God bless and love you.
