

September 1, 2021

Dear Families,

Unfortunately, we have another resident who has tested positive for COVID-19. The resident lives on the first floor and their family has been notified directly.

Per regulations, we are stopping all indoor and outdoor visitation throughout the Home at this time unless authorized otherwise. You will be notified when visitation resumes.

We are continuing on-going rounds of testing with all residents and staff as directed per CMS guidance and will notify you if additional positive cases occur. Currently we have two residents in our COVID-19 unit and both are doing well.

Please pray for all of us, and especially pray for our staff whom we depend on so much.

God Bless you and keep you safe,

Mother Margaret Patricia and Little Sisters
