

Covid update letter September 23, 2021

Dear Families and Friends,

I am grateful to write to you that our COVID outbreak status is over! All the residents and staff have completed three rounds of all negative testing over the past two weeks. Blessed be God! Residents will return to mass in the Chapel tomorrow.

Residents can have visitors again in their rooms, or preferably outdoors while the weather is so nice. We ask visitors to wear a mask at all times when walking through the building and to practice good handwashing and sanitizing. The county positivity rate still remains high and we want to be very cautious to avoid another outbreak.

Please continue to pray for our residents and staff who have worked so hard to stop the spread of this last outbreak. Know that we remember you and all our families in our prayers daily.

God Bless you,

Mother Margaret Patricia and all the Little Sisters
