

December 28, 2022

Dear Family and Friends,

I pray this letter in the Christmas Season and New Year find you safe and well. Our residents indeed had a wonderful Christmas celebration by attending Mass, receiving gifts from the Sisters, Santa, grade school students, caroling, and feasting.

Unfortunately, as you know the positivity and COVID transmission rate in our county is extremely high, and we are not surprised that we are starting to see some positive cases among our residents with one third-floor resident testing positive on Friday, Dec 23rd and one more third-floor resident yesterday. We immediately began testing all third-floor residents and staff. Please know, we automatically test any resident who may be symptomatic.

We will continue to test staff and residents according to DHSS guidance to maintain safety in the home. While visitation to residents is still open, we ask that if you do visit to please be vigilant in wearing your mask. If you have any symptoms or have others in your home who are ill, please stay home and delay your visit until all are well. If you would like to arrange a ZOOM call with your loved one, please contact our Activities dept or leave a message at the front desk.

We depend on one another to continue the work of caring for our residents. We trust in St. Joseph to look over us and protect us in this outbreak time. We pray for good health and strength for our staff to whom we rely on so much.

May God bless you,

Mother Margaret Patricia and all the Little Sisters
